## INVITATION

## Welcome Note

Dear Colleagues and Friends of the  
German Spine Society,  
Dear Ladies and Gentlemen,

It is my pleasure to announce the upcoming 12<sup>th</sup> Annual Meeting of the German Spine Society (DWG) in Stuttgart. The German Spine Congress will take place at the International Congress Center in Stuttgart, from November 30 until December 2, 2017.

I would like all spine surgeons to feel welcome to the meeting. In 2017, we are focussing on "Trauma and Tumor" but will discuss all up-to-date spinal surgery issues. The German Spine Congress gives the opportunity to share and enhance your knowledge in spinal surgery. You are invited to contribute and present your scientific work by submitting your abstracts.

We hope to strengthen the exchange of knowledge between members and invited speakers of the North American Spine Society. With an increasing number of international guests we expect more than 2,600 participants to join. Membership in the DWG might exceed the number of 2,000 with the opening of the 12<sup>th</sup> Annual Meeting in Stuttgart.

The International Congress Center Stuttgart is located at the international airport with an easy connection to the city center of Stuttgart. Besides the Annual Meeting of the DWG, Stuttgart's rich culture program will surprise you: The Stuttgart Ballet, the State Opera, the State Gallery and the Museum of Art, also numerous theatres, concerts and museums. Stuttgart is a modern, cosmopolitan city, also known worldwide for being the home of Mercedes-Benz and Porsche with their famous museums.

I would like you to reserve the dates at the end of this year and I am looking forward to welcoming you in Stuttgart.

Yours

C. Knop  
President of DWG 2017
